

We Can Be Silent No More

*Be the voice for those that are most vulnerable,
or for those that do not yet have a voice.*

Lutheran
Family Service

In our world today, each passing day holds an even greater mission, purpose, and call to action for Christians.

Find out how you as a citizen of heaven are called to impact and influence the world and culture, and what you can do today to be the voice for those that need one.

Baptism Changes Our Citizenship

Through baptism, you are fellow citizen with saints and members of the household of God. (Ephesians 2:19)
You have both new life eternally and also new life here and now. (Romans 6:3)

Because of this, we are called to live as citizens walking in newness in both God's Right-Hand and Left-Hand Kingdoms.

Right-Hand Kingdom - God's Rule of Grace over us in Jesus. In this Kingdom we:

- Actively participate in a local congregation of His body
- Regularly receive His gifts through the Divine Service
- Receive forgiveness through daily repentance
- Love and serve our fellow citizens
- Speak God's truth to each other in love
- Strive to do our part to "make disciples of all nations"

Left-Hand Kingdom - God's Rule over us through governing and other authorities. In this Kingdom we:

- Live as "salt" and "light"
- Stand for God's truth and against the devil's scheme
- Bear the "fruit of light" through acts of mercy
- Expose the "works of darkness"

**How can you be the voice and action that Christ is calling us to impact and influence today's world?
Turn this over and find out now!**
